STATEMENT OF SUBSTANCE OF INTERVIEW

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Please review and enter the following remarks summarizing the interview conducted on March 17, 2009.

REMARKS

An Examiner's Interview Summary Record (PTO-413) was forwarded on April 3, 2009.

During the interview, the following was discussed:

1. Brief description of exhibits or demonstration: None
2. Identification of claims discussed: claim 12
3. Identification of art discussed: Roeseler (U.S. Patent No. 6,317,684)
4. Identification of principal proposed amendments: None
5. Brief Identification of principal arguments: Roeseler fails to teach or suggest "said

communication control means for performing speech communication during execution of packet communication with the center".

6. Indication of other pertinent matters discussed: None
7. Results of Interview: Applicant notes in the Interview Summary mailed April 3, 2009 the Examiner states that “the applicant had reached an agreement regarding that the limitations in the instant application is being met by the prior art.” However, the Examiner appears to have misunderstood the Applicant’s representative’s position. Applicant’s representative never agreed that the claimed limitations are met in the prior art. Instead, Applicant’s representative merely indicated that the Applicant would take into consideration Examiner remarks in preparing the response to the Office Action.

It is respectfully submitted that the instant STATEMENT OF SUBSTANCE OF INTERVIEW complies with the requirements of 37 C.F.R. §§1.2 and 1.133 and MPEP §713.04.

It is believed that no petition or fee is required. However, if the USPTO deems otherwise, Applicant hereby petitions for any extension of time which may be required to maintain the pendency of this case, and any required fee, except for the Issue Fee, for such extension is to be charged to Deposit Account No. 19-4880.

Respectfully submitted,

/Ebenesar D. Thomas/
